

Hi friend!

Want to help us encourage kids with autism to be strong and healthy????!!!!

A donation of just \$200 will help kids with autism be supported in ways that help them grow and become strong members of our community.

What do you get out of it?

As a hole sponsor, every golfer will see your sign (produced by us!) and we encourage you to set up a booth at the hole (not necessary though). Also, a warm fuzzy feeling of doing good for your community!

*Cheques for sponsorship can be made out to Greensmere.

Want to play in the tournament??!!!

We'd love to have you!! Registration is \$130/person and it promises to be an awesome day with lunch and dinner included!

When? Wednesday, August 9th @ noon

Call Greensmere to sign up! (613) 839-7772

A little more about the cause:

The Capital City Condors are a family of ice hockey teams for those who are unable to play on any other hockey team due to a developmental disability. Players are ages 6 and up, of all ability levels and are each given a high degree of personal care and attention by the Condors on-ice coaches.

Children at Risk is an organization that provides services and programs to families of children diagnosed within the Autism Spectrum Disorders to develop their child's behavioural, communications and social skills, and to advocate for their ongoing needs.

We sincerely thank you for your consideration in helping us with this!!!

Cheers,

Mike O'Brien and Luke Rochefort
